The Captain is also responsible for placing a tag on each cobia to be weighed prior to reaching the dock. Any fish that is designated as Youth ("Y") or Lady Angler ("L") will **not** be eligible for the Calcutta.
9. The tournament winner is determined by the **HEAVIEST OVERALL WEIGHT**. This can result from a single cobia or the combined weight of (2) cobia. In the event of identical combined weights, the boat with the earliest weigh-in time will determine the winner. Teams may weigh no more than (2) fish. Any fish that is weighed should be completed by the Weighmaster and recorded on the scorecard and the official spreadsheet. The decision of the Weighmaster will be final. Weigh stations will close at 5:00 PM on the day of the tournament and the awards ceremony will follow at 7 PM sharp.
